Percent satisfied with learning environment	100.0%	84.9%	94.4%
Percent satisfied with social and physical environment	100.0%	84.0%	89.5%
Percent satisfied with school-home relations	100.0%	85.6%	85.1%

\*Only students at the highest elementary school grade level at this school and their parents were included.

## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Bethel Hanberry Elementary has re-focused on creating beliefs for our learning community as we have collaborated with our stakeholders to ensure that we are challenging our students for the 21st century.

While it has been easy to look at our past success, we have recognized that we must not overlook the potential opportunities awaiting us. Our School Improvement Council, PTO and Educational Foundation have been instrumental in helping us develop instructionally as a school with their incredible leadership. The unwavering network of churches that provide for our students and families make it easier for us to take care of our children beyond the classroom.

We are grateful that our school achieved AYP status for the 3rd consecutive year. In addition, we were named a Palmetto Gold and Silver Award winner for the 2010-11 year which marks our continual effort to help all students find success. Our entire faculty and staff have shared their desire to grow as professionals by participating in a variety of learning opportunities that they are using in their classroom.

Our theme this year of "stretching ourselves" encouraged approximately 25% of our faculty/staff to complete a higher education degree or start a program to be completed by the end of next year. This commitment to life-long learning by our educators has been a valuable reminder that we can never be satisfied with our progress.

Our district recently went through the SACS CASI Accreditation process and was fully accredited again. We were extremely proud to use the self-assessment piece to monitor the development of our school as it compares with our fellow schools. The support of our district has helped us provide one to one technology for all fifth grade students with a plan to have wireless technology for all students in grades three through five by the end of the upcoming school year. With the support of our Educational Foundation and PTO, we were able to purchase additional technology with local funds that will be used in kindergarten through second grade.

Bethel Hanberry has been a consistent piece of the Blythewood community for nearly a century. The traditions of those who have gone before us are highlighted by hard work and support for one another. By embracing these values, we believe we will continue on a path of excellence.

Jeff Williams – Principal  
Jennifer Roof – SIC Chair
